## III. Important Dates:

March 25 - Last day to add a course (IMPORTANT - TUESDAY AND THURSDAY CLASSES MUST BE MET ON THIS DATE. "ADD" CARDS CANNOT BE ISSUED AFTER BEGINNING OF CLASS PERIOD.)  
March 26 - Monday, Wednesday and Friday Classes must be met.  
April 8 - Deadline for dropping a course without indicating passing or failing.  
May 1 - Last day to drop a course passing (General Catalog, page 51)

### A. Vital Registration Information

1. Sequence cards - In certain sequence courses (Example: History 101-102-103), class cards for the next course in the sequence will be passed out in class prior to pre-registration. (It should be understood by all students that they have the option to accept the sequence card.) Students who receive such cards should not list the course or courses on the Registration Approval Form. IT IS ESSENTIAL, HOWEVER, THAT THESE CARDS BE BROUGHT TO THE REGISTRATION CENTER AT THE TIME OF PRE-REGISTRATION AND BE TURNED IN, ALONG WITH OTHER REGISTRATION MATERIALS IN THE PACKET, TO A CHECKER.
2. Graduate students who plan to register for undergraduate courses should go to a checker for instructions.
3. Any undergraduate student who forgets to bring his packet to pre-registration must get permission from the office of the Dean of Student Affairs before going to the Computer Center to secure a packet. Graduate students must secure permission from the Graduate Office. The Computer Center is located on the third floor of the old Hospital building.
4. Women who have married and whose packets are under their maiden names should go to the Records room before pre-registering for Spring Quarter.
5. UNDERGRADUATE STUDENTS EXPECTING TO COMPLETE DEGREE REQUIREMENTS AT THE END OF WINTER QUARTER MUST FILE AN APPLICATION FOR DEGREE AND TEACHER CERTIFICATION (IF THIS APPLIES) ON MARCH 18, AT THE REGISTRAR'S OFFICE, OR ON THE DAY OF SENIOR PRE-REGISTRATION, FEBRUARY 24.

BECAUSE OF THE TIME REQUIRED FOR THE PREPARATION OF DIPLOMAS, APPLICATIONS FOR JUNE GRADUATION CANNOT BE ACCEPTED AFTER MARCH 25. STUDENTS WHO APPLY FOR DEGREES AFTER MARCH 25 WILL BE GRADUATED IN AUGUST.

6. Undergraduate students may not register for more than 19 quarter hours without written permission from the Registrar. (This permission will not be given until Winter Quarter grades have been recorded.) Graduate students may not register for more than 15 quarter hours.
7. Each student should fill in the bottom of his program card when all course cards have been secured.
8. Each student should be sure that he has completed all forms properly before giving his packet to a checker.
9. Checkers will retain all cards except the paper copy of the program card. Present it at the College Bookstore to obtain textbooks.

#### IV. Instructions for Filling out Material in Packet

- A. Please fill in all blanks on the Student Information Card and Locator Cards.
- B. Please fill in all information requested on both copies of the Program Card.
- C. Fill in the left hand portion of the Fee Card with a ball point pen.

PLEASE COMPLETE AS MUCH OF THE WORK OF FILLING IN INFORMATION ON CARDS AS CAN APPROPRIATELY BE DONE BEFORE COMING TO THE REGISTRATION CENTER.

#### V. Review of Registration Procedures

- A. Registration begins with the students' adviser. The student must secure from the adviser a Registration Approval Form. This form has a place for the adviser to list courses approved for Spring Quarter. The student will select the section number for the courses listed and fill in the remainder of the form. The Registration Approval Form must bear the signature of the adviser.
- B. The student will take his Registration Approval Form to the Registration Center. All Registration Approval Forms will receive the Registrar's stamp at the entrance to the Registration Center. Registration Approval Forms will not be honored unless signed by the adviser and stamped by the Registrar. All course cards and class admission cards will be picked up from the Registration Center upon presentation of the Registration Approval Form.
- C. After these cards are secured, the registration packet and course cards will be checked and collected by checkers.

#### VI. Drop-Add Procedure

To add a course, a student must secure permission and a drop-add form from his adviser. The drop-add form is taken to the Registrar's office to pick up a new course card and class admission card. The class admission card must be taken to the instructor of the class added before the student will be admitted to class.

To drop a course, a student must secure permission and a drop-add form from his adviser. He must secure the class admission card from the instructor involved and take it and the drop-add form to the Registrar's office.

#### APPLIED MUSIC COURSES

ALL STUDENTS TAKING APPLIED MUSIC COURSES MUST HAVE THESE COURSES APPROVED BY DR. WILLIAM G. SPENCER, CHAIRMAN, MUSIC DEPARTMENT. AFTER DR. SPENCER INDICATES APPROVAL ON THE REGISTRATION APPROVAL FORM, COURSE CARDS WILL BE ISSUED BY THE MUSIC DEPARTMENT.

## RESIDENCE STATUS FOR TUITION PAYMENT

The tuition charge for legal residents of North Carolina is less than for non-residents. A legal resident of North Carolina is one who has his domicile in this state. It is important that each applicant for admission and each enrolled student know his residence status for tuition payment and understand the regulations governing residence status. The following regulations cover most factual situations:

1. A person twenty-one years of age or older is not deemed eligible for the lower tuition rate unless he has maintained his legal residence in North Carolina for at least the six months next preceding the date of his first enrollment in an institution of higher education in this state.
2. The legal residence of a person under twenty-one years of age at the time of his first enrollment in an institution of higher education in the state is that of his parents, surviving parent, or legal guardian. In cases where parents are divorced or legally separated, the legal residence of the father will control unless custody of the minor has been awarded by court order to the mother or to a legal guardian other than a parent. No claim of residence in North Carolina based upon residence of a guardian in North Carolina will be considered if either parent is still living unless the action of the court appointing the guardian antedates the student's first enrollment in a North Carolina institution of higher education by at least twelve months.
3. The residence status of any student is determined as of the time of his first enrollment in an institution of higher education in North Carolina and may not thereafter be changed except: (a) in the case of a non-resident minor student at the time of his first enrollment whose parents have subsequently established legal residence in North Carolina; and (b) in the case of a resident who abandons his legal residence in North Carolina. In either case, the appropriate tuition rate will become effective at the beginning of the semester or term next following the date of change of residence status.
4. The legal residence of a wife follows that of her husband, except that a woman student currently enrolled in this institution as a resident may continue as a resident even though she marries a non-resident.
5. Military personnel attached to military posts or reservations in North Carolina are not considered eligible for the lower tuition rate unless they have maintained a legal residence in the state for at least the six months next preceding the date of first enrollment in an institution of higher education in the state.
6. Aliens lawfully admitted to the United States for permanent residence who have established a legal residence in North Carolina according to paragraphs number 1, 2, or 4, above, are eligible for the lower tuition rate.
7. Ownership of property in or payment of taxes to the state of North Carolina apart from legal residence will not qualify one for the lower tuition rate.
8. Discretion to adjust individual cases within the spirit of these regulations is lodged in the Director of Business Affairs and Registrar.

Any student or prospective student in doubt concerning his residence status must bear the responsibility for securing a ruling by stating his case in writing to the Director of Business Affairs and Registrar.
